

January 2023

It is the vision for the women of Southside Baptist Church to encourage, enable, educate and enlist women of all ages to seek the Kingdom of God First in all they do. Through prayer, fellowship, Bible studies and opportunities women may be found seeking God in their daily walk and providing a strong foundation for future women seeking God first.

Jeremiah 29:11

You will seek me and find me when you seek me with all your heart.

My husband of 40 years and I have only one son who is currently incarcerated in Tennessee. It has been an extremely painful, shocking, and tragic journey yet, I know more than ever that God loves me and loves my son.

If you are interested in hearing about PICKLEBALL, please see the sign up sheet at the WOMEN'S MINISTRY OPPORTUNITY TABLE near the world map.

Coming soon to a gym near you!

PICKLEBALL

Many of you have requested an opportunity to see and learn more about pickleball.

Several ladies at Southside currently play pickleball and are excited to share this fun filled game with you.

Pickleball is the number one fastest growing sport in America with the average age of 55 years old.

Pickleball has NOTHING to do with pickles !!!

The game is played on a smaller court and with shorter rackets compared to tennis rackets.

Pickleball is a great way to exercise, lower blood pressure, and increase cardio and enjoy fellowship and fun with others.

Please join Susan Abbott and Nancy Ogletree as they will be instructing you on the game of pickleball.
