

SBC Women's Ministry  
Jeremiah 29:13 – You will seek me and find me when you seek me with all your heart.

Seeking God First

It is the vision for the women of Southside Baptist Church to encourage, enable, educate and enlist women of all ages to seek the Kingdom of God First in all they do. Through prayer, fellowship, Bible studies and opportunities women may be found seeking God in their daily walk and providing a strong foundation for future women seeking God first.

April 2022

A message from Sande:

The hum of chatter in the room was music to my ears. The fellowship being spread across the room filled my heart with joy and excitement. Seeing ladies rush from table to table was inspiring. I am so thankful to everyone who prayed, prepared and participated in Ladies Night Out "Tell Your Story".

The tables were beautiful and descriptive of many life stories. I hope you enjoyed reading a snippet into the lives of your hostess in the booklet prepared for you.

Throughout the evening, it was clear that we need to "Tell Our Story." Ladies, I encourage you to speak to others in your small group, your circle of friends, and your family. What about the person in the check out grocery line? We never know where a smile and kind word may lead us.

Thank you all for making Ladies Night Out a very special time.

## UPCOMING EVENTS
